## ABOUT ME

I'm a graphic and UI/UX designer in Gurgaon. I design brand identities and the websites, apps and decks that go with them. At IREPworkspaces I was there before the brand was: I made the logo, colours and brand guidelines, built the website in Framer and designed the investor decks. I also head design at studioMOrph, a brand studio, part time.

## WORK EXPERIENCE

### Assistant Manager – Design & Marketing
Oct 2025 – Present

IREPworkspaces · Gurugram · Full-time

- Built the brand from scratch: logo, colours, type, a brand guidelines book and a brand kit the whole team works from.
- Designed and built the website in Framer, with pages for the Built-to-Suit and Turnkey offers, locations and the team.
- Make the investor decks, sales presentations (including a 19-slide services deck), brochures, company profiles, social posts and ads.

### Head of Design
Feb 2026 – Present

studioMOrph.agency · Part-time

- Lead design for a small brand studio: identities, brand guidelines and websites for clients, and the studio's own brand and site.
- Brand guideline books for ISSC, Truespace and Quattro, each 26 to 37 pages.

### Graphic Designer
Apr 2025 – Sep 2025

TrueSpace Leasing Solutions · Gurugram · Full-time

- Built the website in Framer, with case studies for Airbnb, CarDekho and GD Goenka. Designed a client proposal template and a 15-slide landlord pitch deck, and did the first design work for IREPworkspaces.

### Graphic Designer
Jan 2024 – Mar 2025

Reiz Electrocontrols · Gurgaon · Full-time

- Product catalogues, brochures, newsletters and trade show stands, turning technical spec sheets into material a buyer could follow. Also the social, web and email graphics.

### Graphic & UI/UX Designer
Jan 2023 – Jan 2024

SoftAge Information Technology · Gurugram · Full-time

- Web and mobile screens in Figma, After Effects animations for campaigns, and training material built from 900+ past exam questions.

### UI and Graphic Designer
Jan 2021 – Sep 2021

FellaFeeds · Feedback app

- My first design job: social posts, illustrations, and my first wireframes and interface work on the app. Product labels for Farmery and ads for Dynatech.

### Graphic Design Intern
Apr 2019 – Aug 2019

MudPie India

- Worked from client briefs on print and digital design, and learned how to take feedback and revise.
